

Town of Fairfield Annual Clam Clinic

Saturday, June 17, 2017 -- 10:30am – 12:30pm

Sasco Hill Beach – 1401 Sasco Hill Road

Rain or Shine

Fairfield Residents,

Please join us for two hours of fun at Sasco Hill Beach and experience the natural shellfish resources that Fairfield and the Long Island Sound have to offer. All town residents are welcome – including children! Learn clamming techniques, harvest your own, keep your catch and enjoy some local chowder. Clamming rakes will be available for use for those who don't have their own.

This is a free event sponsored by the Town of Fairfield Shellfish Commission. A shellfishing permit is not required for the event, but permits will be available for purchase for future use (cash or check only). Footwear for the water is recommended.

Parking is limited so carpooling is encouraged.

For more information, contact the Fairfield Conservation Department @203.256.3071.
