

Town of Fairfield Clam Clinic

Saturday, June 11, 2016 -- 10:00am – 12:00pm
Sasco Hill Beach – 1401 Sasco Hill Road

Fairfield Residents,

Please join us for two hours of fun at Sasco Hill Beach and experience the natural shellfish resources that Fairfield and the Long Island Sound have to offer. All town residents are welcome – including children. Learn clamming techniques, harvest your own clams and keep your catch, enjoy some local chowder! There will be clamming rakes available for those who don't have one.

This is a free event sponsored by the Town of Fairfield Shellfish Commission. No clamming permits are required for the clinic, but permits and rakes will be available for purchase for future use (cash or check only).

This event is rain or shine, please call the Shellfish Hotline to ensure that the Sasco Beach Shellfish Bed is open @203.256.3074.

For more information, contact the Fairfield Conservation Department @203.256.3071.
