How It Works

If you have been issued a **MySeniorCenter Key Tag** from your local senior center, MyActiveCenter is for you.

To activate your account, [click here](#).

From there you'll be asked to select your local center and type in your **MySeniorCenter Key Tag** number and home phone number.

Once you've activated your account, you can join groups and enroll in activities at that center online.

When you enroll in an activity, it appears on your My Activities page.

If you and your spouse share an e-mail address, you can add them to your account from the My Account page.

Easy

MyActiveCenter has been designed for ease of use from the ground up and is constantly improving with member feedback.

Secure

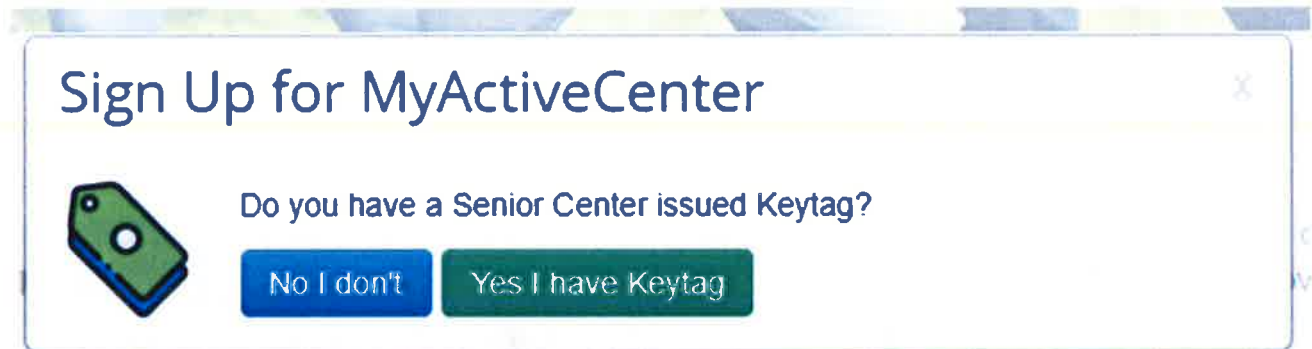

Your sensitive data is stored securely and all payments are handled directly by PayPal, a well established payment processor.

Mobile

Enjoy a unified experience across all devices. Access every feature whether on a Desktop, Laptop, Phone or Tablet. No apps to install.

2. A pop-up window will appear asking if you have a senior center issued keytag. If you do, select 'Yes'. If you do not, please call the Bigelow Center at 203-256-2166 and we will issue you a keytag number.

3. Next, you will need to associate your account with the Bigelow Center. To do this, enter 'Bigelow' into the searchbar at the top of the page, and click on the Bigelow Center box.
