Zoom Class Update

We're trying a new Zoom platform beginning in January (testing it in December with Mark Albertson's class only.) When you register for a Zoom class, you will be sent the class link from My Senior Center 15 minutes before the class starts. **Example:** You register for Germaine's Zumba class on Thursday and the class starts at 10:15. You will be sent the link from My Senior Center at 10:00. Each class will be a ***different*** link, so you'll have to check your emails 15 minutes prior to the class start time EACH time it meets. You will also receive an email reminder from My Senior Center about the class you are registered for two hours before the class starts.
