

Fairfield Fire Department Public Safety Message

Trick or Treating Safety. . .

In the Rain

The forecast looks WET so grab your umbrella, rain boots and flashlights for trick or treating

- ◆ Consider attending an indoor trick or treat event this year
- ◆ Always bring a flashlight with new batteries—Glow Sticks can help too!
- ◆ Consider wearing reflective clothing or adding reflective tape to Halloween Costumes
- ◆ Masks should not be worn while walking on the roadway
- ◆ Be sure hoods and umbrellas do not block your line of sight, be mindful of vehicles
- ◆ Drivers should be more cautious on Halloween Night - Take it SLOW
- ◆ Drivers should ensure children are properly buckled when travelling from house to house
- ◆ Pedestrians should not assume the right of way
- ◆ Children under the age of 12 children should be escorted by adults
- ◆ Carry a cell phone in case of an emergency
- ◆ Trick or Treaters should only approach houses with their lights on
- ◆ At the end of the night check for unwrapped candy and dispose of it
