

Maintaining your service connection

It's our job to bring reliable service to your home or business. This diagram may be useful in understanding and maintaining your service connection.

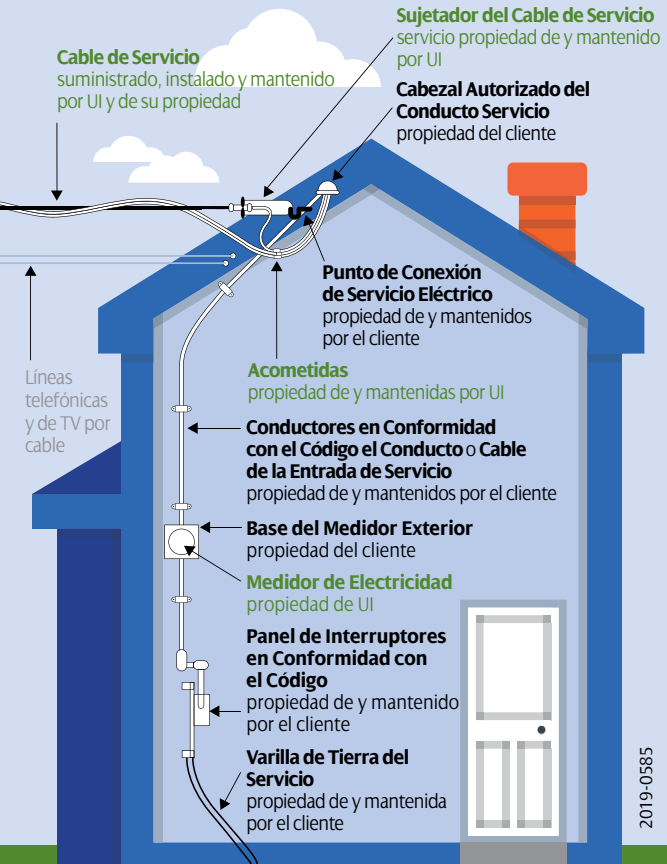

During power restoration, you may need to have damage repaired by an electrician before power can be restored. Also please contact us if you plan to remove or install meters.

Help Keep Our Poles Hazard-Free

Please don't post on utility poles. It's prohibited under state law and can be hazardous to our workers.

Mantener su conexión de servicio

Es nuestro trabajo brindarle un servicio confiable a su vivienda o negocio. Este diagrama le servirá para entender y mantener su conexión de servicio.

Durante la restauración de la electricidad, quizá un electricista deba realizar reparaciones antes de restaurar la electricidad. Comuníquese con nosotros si planea retirar o instalar medidores.

Mantener nuestros postes libres de peligro

No publique nada en los postes de electricidad. Lo prohíbe la ley estatal y es peligroso para nuestros trabajadores.
