- Know the law – Retailers must obtain a license to sell tobacco products and a certificate of registration to sell electronic cigarettes. Retailers are also required to post Notice of Law signs in their stores that are visible to customers. For more information, visit: ctclearinghouse.org/topics/tobacco-merchant-information.
- Sign up to receive the online newsletter - *The Responsible Connecticut Retailer*, or RCR. The RCR will provide important information that Connecticut retailers need to know as state and federal tobacco and electronic cigarette laws change. Sign up today: ctclearinghouse.org/email-signup/.
- Take the free online training program - *Tobacco and Electronic Cigarettes Sales: Do the Right Thing* now available on your smart phone. You and all your employees may take the free online training as many times as you like and learn the responsible way to sell tobacco products and/or electronic cigarettes. Be prepared, take the free training today. Visit: CTtobaccotraining.com.
