# BURR HOMESTEAD Gardens

A TOWN OF FAIRFIELD ADVISORY COMMITTEE

**OUR MISSION** Burr Homestead Gardens is the 4-acre public garden of the Burr "mansion" located in the heart of Fairfield's Historic District. Its mission is to provide a beautiful and well-maintained public open space that will reflect and enhance its historic significance, create opportunities for community education and help facilitate the garden's use for special events.

THE KNOT GARDEN

**Renew** its many charming features, such as the Tea House, the Reflecting Pond and Fountain, the Georgian marble Excedra, and the Knot Garden.

**Protect** the garden where magnificent old trees, old-fashioned flowers and graceful foliage offer a public space for quiet reflection.
