

The Pavilions at Penfield Beach win “Best of Weddings” for 2021!

Fairfield Parks & Recreation is pleased to announce that our Penfield and Jacky Durrell Pavilions have been named a winner of The Knot “Best of Weddings” for 2021. This accolade represents top-rated wedding professionals, as reviewed by real couples, their guests and vendors on The Knot; the nation’s leading wedding planning brand and platform. This is the second year that The Pavilions at Penfield Beach have received this prestigious designation.

The Knot 2021 Best of Weddings recognition honors the vendors who went above and beyond to help to-be-weds navigate the global pandemic. In 2021, five percent of the wedding professionals listed on The Knot received this distinguished award. In its fifteenth annual year, The Knot continues its long-standing tradition of supporting local wedding vendors with The Knot Best of Weddings 2021, an annual “by-couples, for-couples” guide to the top wedding professionals across the country. Winners represent the best-of-the-best wedding professionals that engaged couples should consider booking for their own unique weddings.

Despite COVID-19 interrupting many 2020 weddings and social events, The Pavilions at Penfield Beach continued to provide support for our couples throughout their wedding planning journeys. From adjusting schedules to make way for postponed weddings, to helping couples plan socially distanced weddings following state and local guidelines, we remained committed to helping couples celebrate life and love.

Located in Fairfield, Connecticut, The Pavilions at Penfield Beach are two beautiful, beachfront event destinations with panoramic views of the Long Island Sound. Both Penfield Pavilion, as well as Jacky Durrell Pavilion, offer the ideal location for a celebration on the beach, each while having their own distinct personalities.
