I noticed the Fairfield Forestry Committee meetings are not on the Town Meetings calendar and I wanted to make sure you had our schedule. We meet the third Tuesday of the month 9-10:30am in the 1st floor conference room in SIH. We would like to be sure that's on the Town Meeting calendar as we are hoping to recruit new members and want them to know how to find us.

For this month, we need to cancel our regularly scheduled meeting that was planned for 5/15 and are holding it on 5/22, 9-10:30am in the 1st floor conference room in SIH.

If you need anymore information about our meetings please let me know.

Thank you,
